

WALLMOUNT SCREEN

15.6 INCH

Ultra-thin android based industrial tablet with a high brightness and an ultra wide viewing angle. Thanks to the slim design, the screen can be easily mounted inside an elevator car, just like a painting. Industrial grade components ensure the highest standards in terms of reliability. The tablet comes with the pre-configured elevator.tv digital signage software. For more about the features, follow the QR code link.

KEY FEATURES

Ultra slim design
(19.5mm)

Ultra wide viewing angle
(178°)

High brightness
(500 nits)
