

# Ultra-slim, Large size HD displays

Ultra slim  
design (23  
mm) with  
narrow bezel  
(7.9 mm)

Industrial  
design  
(metal box)

Powerful CPU  
(Quad-core)

Wide viewing  
angle  
(178 degree)

# Specification

With a depth of just 20mm, the screens are a seamless replacement for traditional billboards in elevators or elevator lobbies. Their ultra-thin profile allows for easy integration into existing spaces while maintaining a sleek, modern look that enhances the overall environment.

LCD	Viewing Angle	Resolution	Brightness	Dimensions
